News and information about your public-owned transportation system, published in this newspaper as a community service from the Southern California Rapid Transit District.

By ARTIE DEE
Transportation Editor

If you read last week's epistle, you discover that I am attempting to acquaint you with the RTD, its organization, responsibilities, and the men and women who run it for you, including the Board of Directors.

As I mentioned, there are 11 board members who serve staggered terms from one to four years. Mr. Leonard S. Gleckman is the board member representing the Northeast corridor of Los Angeles County. This area is made up of 28 cities in the San Gabriel Valley stretching from Pasadena, east to Claremont. Mr. Gleckman brought a fresh new concept to the District when he said, "I represent the 28 cities to the District, not the District to the 28 cities." In accepting his board post, Mr. Gleckman was keenly aware of the need for improved bus service, for the development of rapid transit and the vital role transportation plays in our society. I have had the pleasure of knowing Len Gleckman for a number of years and he is not only an able board member, but he is in all sincerity a very nice guy.

This is the second annual "Why don't you leave your car at home and ride the bus to work week!" Judging from last year's smashing success, this year should be even better. I've been in this business long enough to know everyone can't ride to work on a bus; however, there are hundreds of nice folks who are on or near a line that will take them directly to the office or shop. If you're worried about what your neighbors will think, just leave your Lincoln in the driveway. I can assure you that you won't lose any Brownie points.

THOUGHT FOR TODAY — If your work speaks for itself, don't interrupt it.

Q. I no longer see the local bus in El Segundo. Can you tell me what happened to it? Mrs. J.W.

A. You are undoubtedly referring to the 151 line that operated jointly by the City of El Segundo and RTD. Due to lack of patronage, it was discontinued on Friday, Dec. 27, 1968.

Q. How can I get from the Rolling Hills area to Los Angeles, early enough for jury duty. I must be in Los Angeles by 8:45 a.m. Mr. T.C.

A. You don't sound too enthused; however, the 124 line leaving Rolling Hills at 6:55 a.m. will get you to Los Angeles at 8:18. I've sent you a timetable.

Q. Thanks for the service to Carson, but don't you think the hourly service could be improved. Mrs. V.S.

A. There is no question in my mind that hourly service could be improved but I am told that the line does not pay for itself now and until it builds up some, things will stay pretty much as they are.

Q. Please give me some information about bus service in the airport area. I don't mean the terminal, but rather North American. Mr. T.C.

A. The new extended 137 line serves the Imperial Highway area near the airport. This line also connects with other lines to Inglewood, Los Angeles, and other places. I've sent you a timetable.

Send your questions to Artie Dee, Transportation Editor, care of this newspaper. All questions will be answered in the column, or by mail. A system map will be sent FREE to each person writing. NO STAMPS OR STAMPED ENVELOPES ARE NECESSARY.
